Tour 1: Kirkjubø.

The Old Culture Centre in The North Atlantic Ocean. We will see the ruins of the 13.th century St. Magnus Cathedral, and the 12.th century St. Ólavs Church, who still is in use, and the 900 year old bishopric "Roykstovan", considered to be the oldest wooden house in Europe, and still occupied by the 17.th generation.

Estimated time: 1 hour.
Price: 550 DKK

Tour 2: Sornfelli-Norðadalsskarð.

Via the old Mountain road "Oyggjarvegur". Enjoy the old mountain road from Tórshavn, with excellent opportunities for a photo stop "Norðadalsskarð" with panorama view, to the island Koltur, the narrow road up to the former Radar Station at the mountain "Sornfelli".

Estimated time: 1 hour.
Price: 550 DKK

Tour 3: Bø - Gásadalur

Visit the Island "Vágar". We drive via the mountain road "Oyggjarvegur", through the subsea tunnel to the Island of Vágar. Visit the villages Bø and Gásadalur and see the fantastic view of Tindhólm and Mykines and see the peak "Trøllkonufingur".

Estimated time: 3 hours 30 min.
Price: 1.925 DKK

Tour 4: Saksun

Visit the village Saksun. We drive via the mountain road "Oyggjarvegur". Then along the coast line, passing the old former whaling station, to the village Hvalvík, which has the oldest wooden church on the Island, and then the narrow road to the isolated settlement situated beneath the steep majestic mountains.

Estimated time: 2 hours 30 min.
Price: 1.375 DKK

Tour 5: Tjørnuvík

Visit the village Tjørnuvík. We drive via the mountain road "Oyggjarvegur", then along the coast line, passing the old former whaling station, to one of the oldest settlements in Faroe Islands, with a fantastic view to the stacks "Risin og Kellingin".

Estimated time: 2 hours 30 min..
Price: 1.375 DKK

Tour 6: Gjógv

Visit the village Gjógv, northern part of the Island "Eysturoy". We drive over the mountain road "Oyggjarvegur", then north over the island of Streymoy, where we are passing the former whaling station "Við Áir", over the bridge to the Island of Eysturoy, passing the village of Eiði. On our way we will have a great view over the stacks "Risin og Kellingin", then passing the highest mountain in the Faroe Islands "Slættaratindur" (882meters), then to Gjógv, with its natural harbour, a narrow ravine with high cliffs on both sides. On the way back to Tórshavn we are passing the village Funningur, where the vikings first settled down.

Estimated time: 4 hours.
